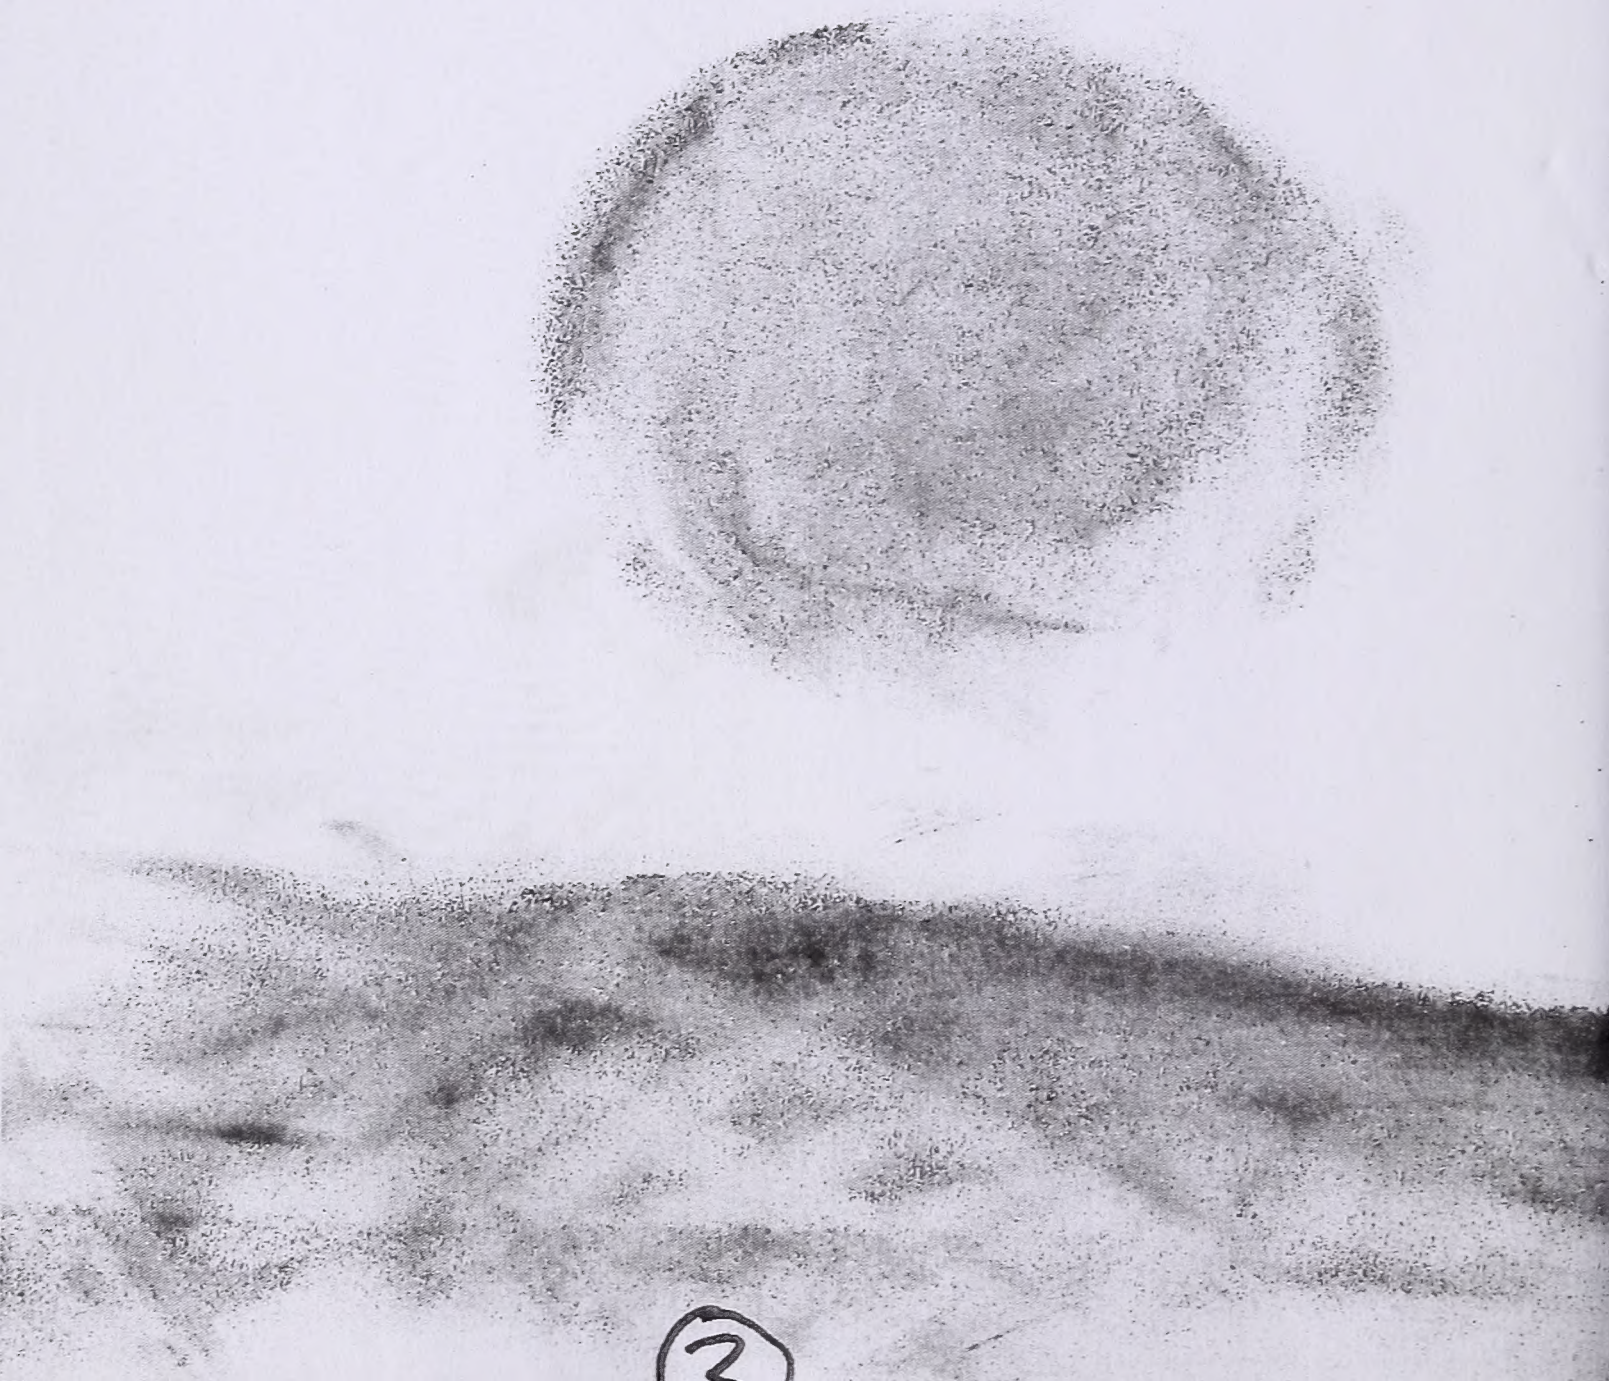
MOSQUITO MESSIAH

Digitized by the Internet Archive
in 2015

https://archive.org/details/mosquitomessiah00unse

pig rhino tiger
all human

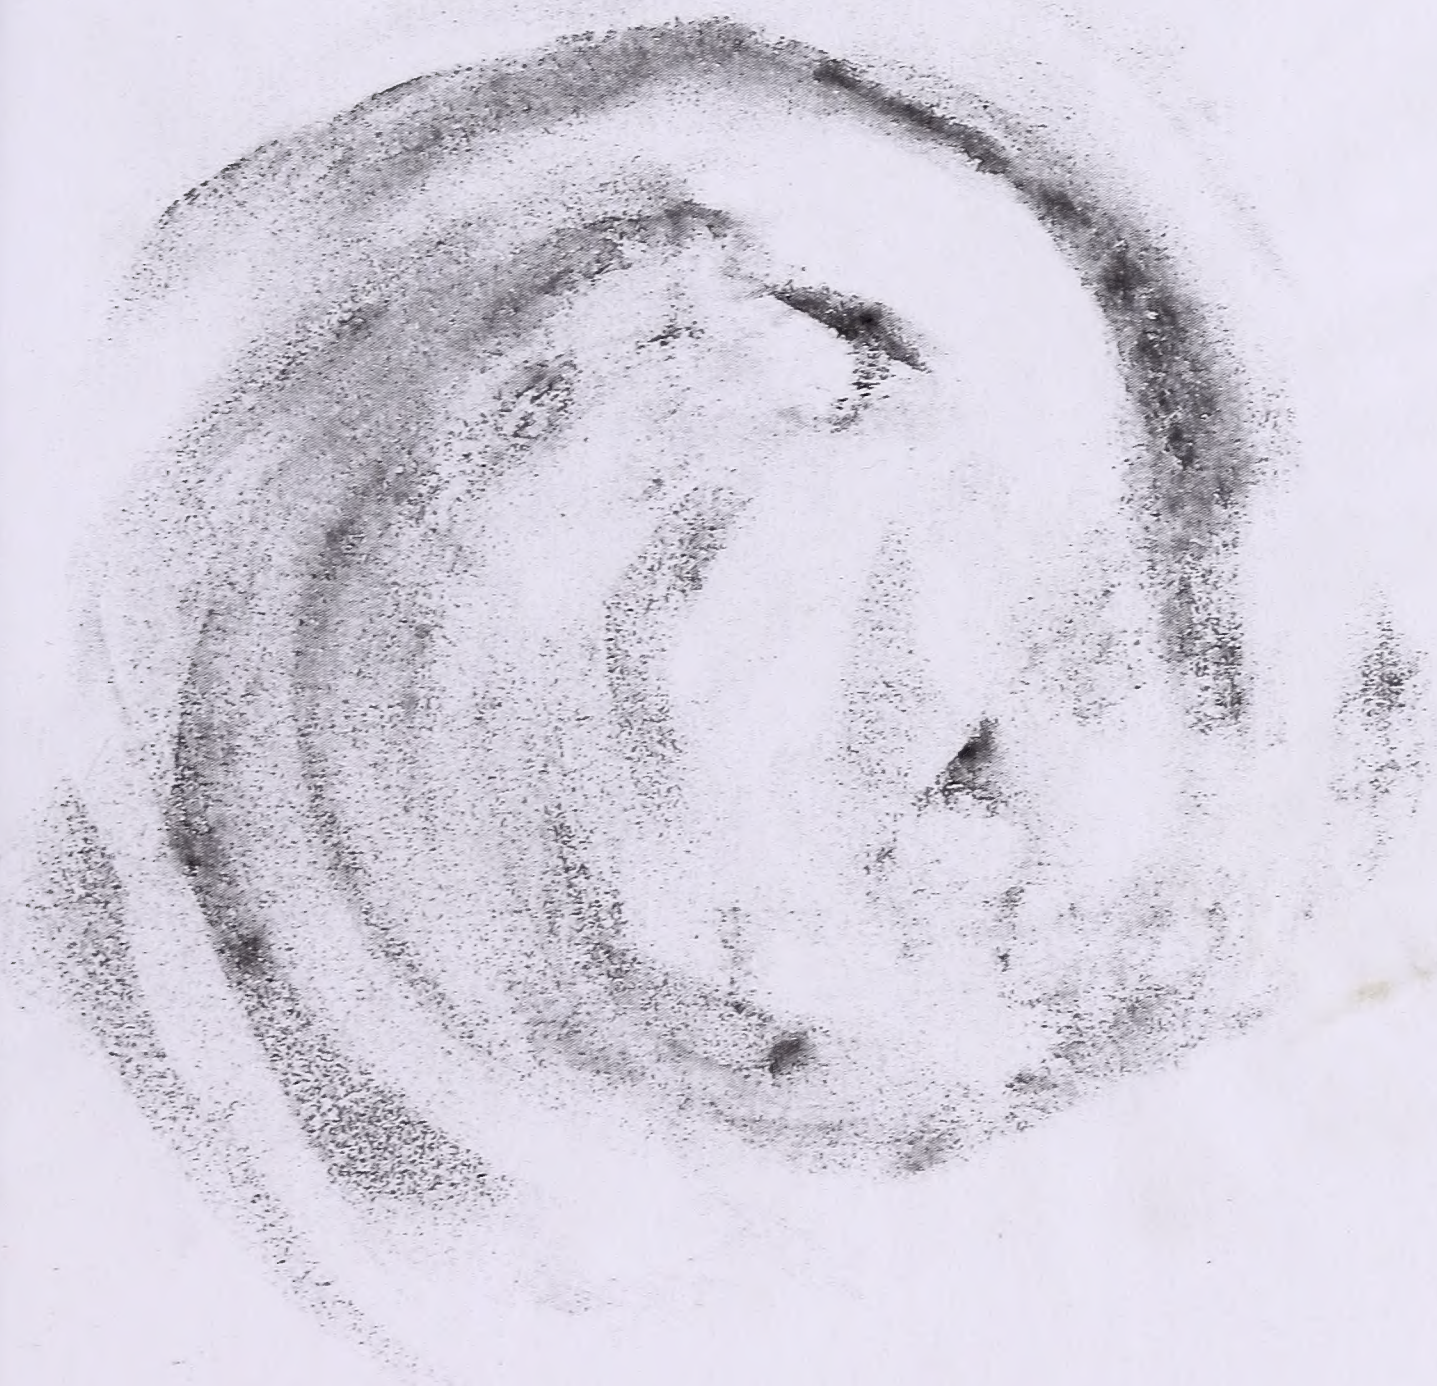
as witchgrass
as brook & sunset



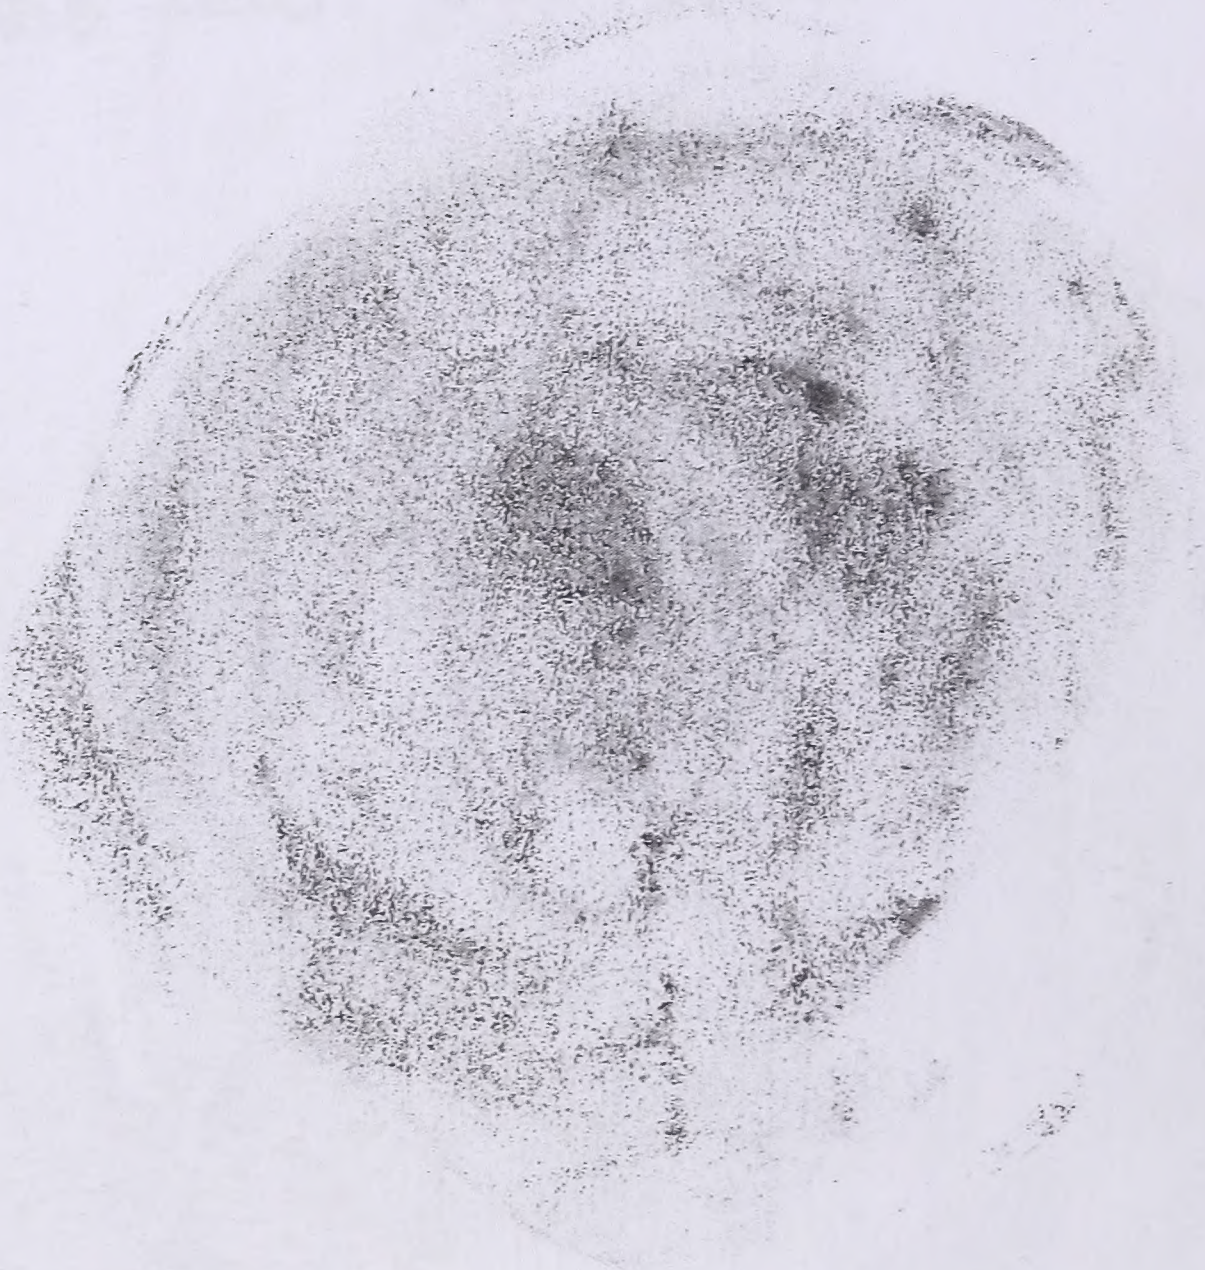
therefor

mosquito despised bad in pink
purple skies unbeloved by the
beloved related to swallows
who feast on them

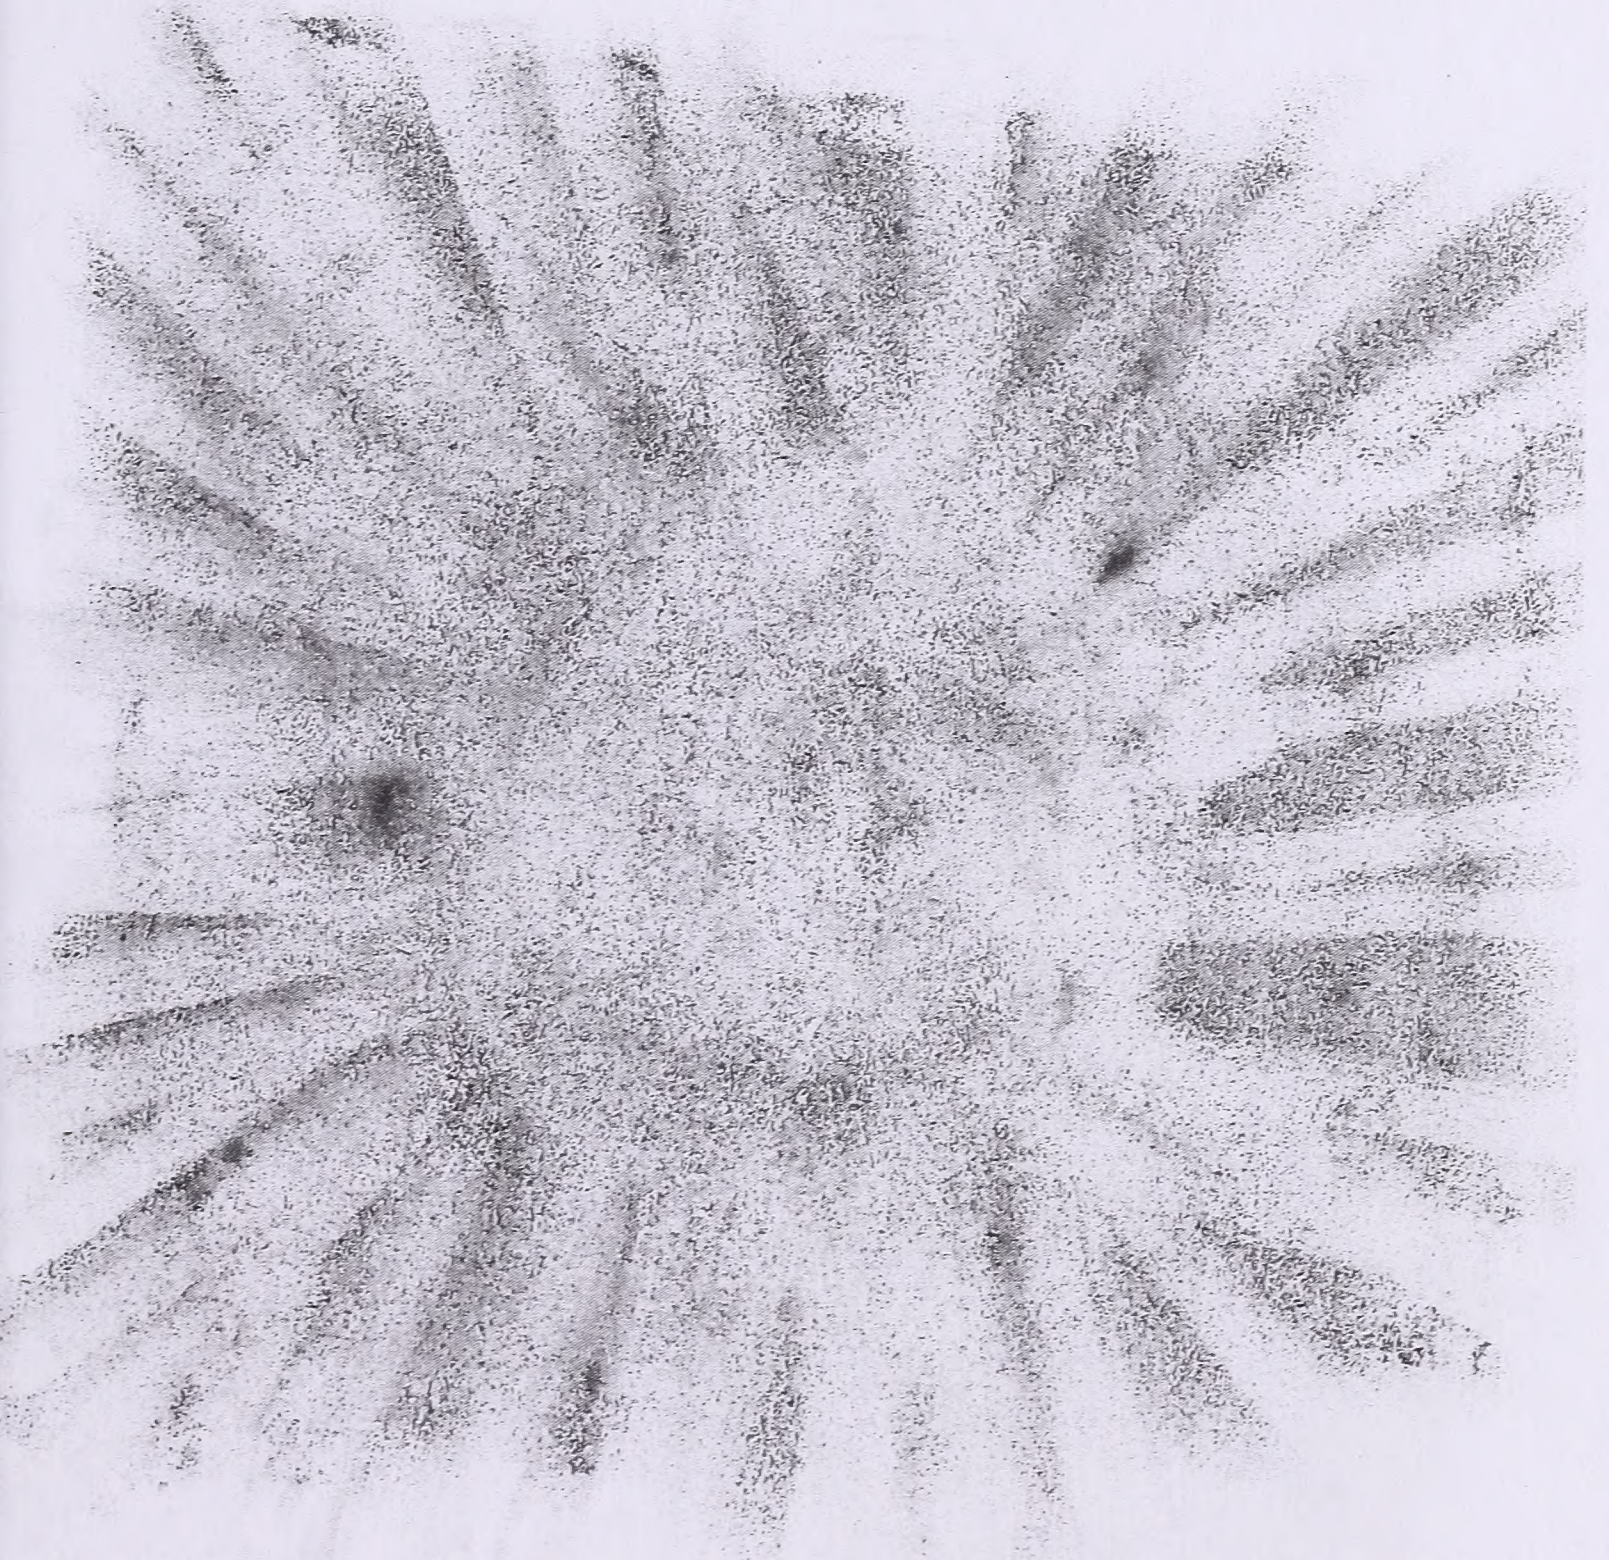
crowded like cloud &
storm neverending clusters
stirring their seed



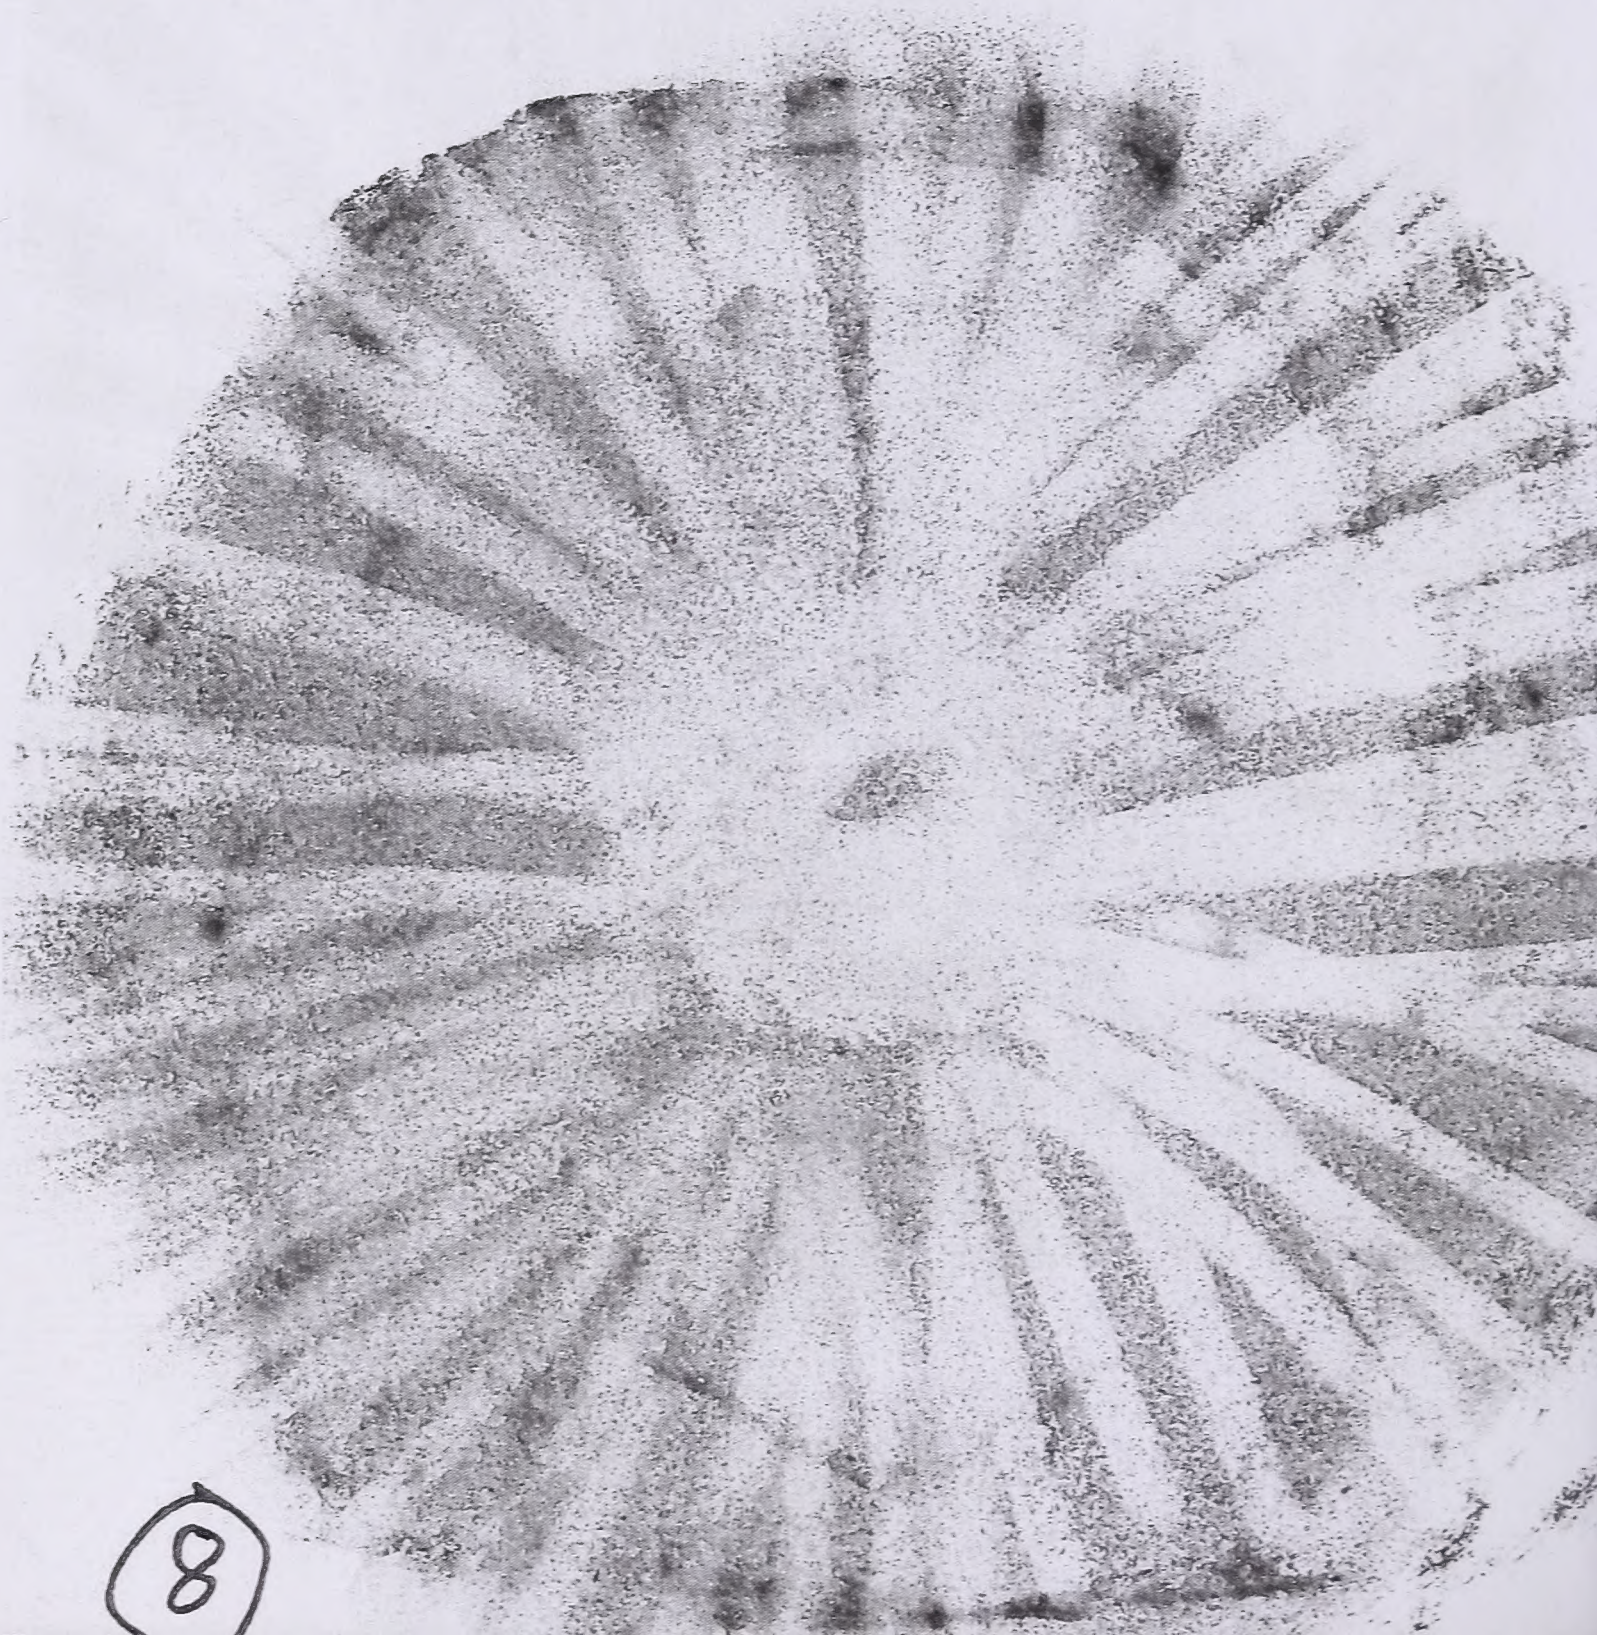
antihuman pest with teeth
& symbol of inevitable & swamp

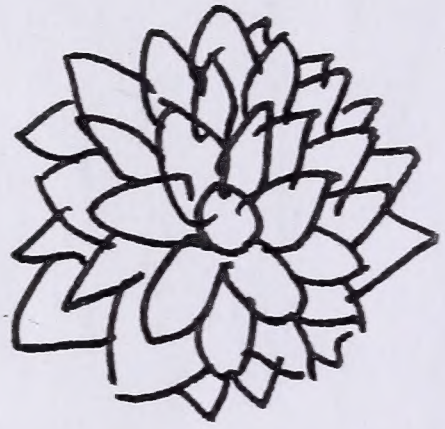


Produce Messiah who sows
salvation in vain forever



wartlike wear on silly flesh
nothing but dust





ES/PM
